

*Are you prepared to save  
a life?*

"Safeguarding you and your Business"

## CPR, AED and Allergies

**3 Hour Course**

**3 Year Certificate**

**Experienced Tutors**

### **Who Should Attend?**

- 🔓 Dentists
- 🔓 GP's
- 🔓 Healthcare Professionals
- 🔓 School Staff

### **What's Covered?**

- 🔓 *Understand the safe use of an AED*
- 🔓 *CPR*
- 🔓 *Post-resuscitation procedures*
- 🔓 *Basic maintenance*
- 🔓 *Troubleshooting*
- 🔓 *Allergic Reaction*
- 🔓 *Use of Adrenaline*

**Each year over 150,000 die as a result of cardiac arrest.**

**Allergies are now even more common than ever before.**

This course will help you learn new skills or ensure that your knowledge and skills remain current and fresh in you mind should the worst happen.

You will learn how to recognise and treat severe allergic reactions including the use of adrenaline auto-injectors.
